Subject : Applying for a pre- school teacher job

Dear Sir/Madam,

I, Prachi Panwala interested in applying as a preschool teacher job in your institution .I have finished my graduation stream in the year 2007 and thereafter, I completed my diploma as an interior designer in the following year and I also had an 1 and half year experience with L.P.Savani International School as a pre-primary teacher. I leave that job due to personal reason. Now, I am seeking for an opportunity to apply my best knowledge and skills and personal qualities to strike an appropriate balance between focus on the development and welfare of the children.

Below is a CV which includes my educational background and experience certificate which has prepared me well for this job. I am very interested in starting a career with a reputable institution such as yours. Apart from that I have strong communication, time management skills and ability to work closely with fellow teachers. My broad background makes me an excellent candidate for this position.

Thank you for your consideration. I hope an early and favourable response from your end. Assuring you my best and efficient service at all times.

Sincerely,

Prachi Amit Panwala
