CAREER OBJECTIVE

Recent post Graduate with a Msc in Physics Subject strong Passion for Teaching, Seeking an Entry-level position to Develop my skills and contribute to a Positive learning Environment.

Skills

Communication skills

Subject-specific skills

Class management skills

Basic computer skills

Experience

Jun-2023 to April-2024 **Sanskar jivan school,Adajan, surat**

I Taught standard 7th, 8th, 9th with Subject

Mathematics and science.

PROJECT

Project Name: Working Model (Electronics)

Project Detail: State level Final CPEX 2023

I took part in the Physics Experiment During State Level Final CPEX-2023. I got First Number in it college Level after than I further went to state level and I got Certificate.

EDUCATION

<u>Degree/Course</u>		
• Bsc with Physics	SGPA	Year of Passing
Sir P. T Science Saarvajanik college,	8.00	2023
Veer narmad South Gujarat university.		
• Msg with Physics		
Veer narmad South Gujarat university		2025

ACHIEVEMENTS

- CERTIFICATE: Elocution competition held at VNSGU in the year of 2024-2025.
- Presenting innovation Physics Experiment in state level final CPEX 2023.
- The inter level college Competition of working model software based Experiment s of Physics.
- College Elocution competition 2021-2022.
- Corporation Science Maths Environment Demonstration 26 in Elocution Competition.

AREA OF INTEREST

PHYSICS, MATHS, SCIENCE, TEACHING.
